

# Beier's DC 12V/24V Compressor Fridge Freezer Range

Model No. Specifications	Features	PRICE	Pictures
<p><b>BR45C4</b></p> <p><b>Capacity 45 litres</b> Voltage : DC12V/24V Power Consumption : 45W capacity: 45 litres(with both <b>freezer</b> and <b>fridge</b> compartment) LED Temperature Display <b>Up to 55 below ambient temperature</b> NW: 23kg</p> <p>AC/DC Adaptor Included Travel bag Included</p>	<p>1.Direct connect to DC 12V or DC 24V power supply. 2.Two different refrigeration/freezer compartments. 3.Anti discharge battery protect. Automatic turn off when low voltage 4.Special wind lane to adjust temperature of refrigeration compartment 5.Detachable lid 6.Environment-friendly refrigerant R134a.</p>	R 5 795.00	<p>hinge</p> <p>lock</p>
<p><b>BR55C4</b></p> <p><b>Capacity 55Litres</b> Voltage : DC12V/24V Power Consumption : 45W capacity: 55 litres(with both <b>freezer</b> and <b>fridge</b> compartment) LED Temperature Display <b>Up to 55 below ambient temperature</b> NW: 25kg</p> <p>AC/DC Adaptor Included Travel bag Included</p>	same as BR45C4	R 6 910.00	
<p><b>BR60C4</b></p> <p><b>Capacity 60Litres</b> Voltage : DC12V/24V Power Consumption : 60W capacity: 60 litres(one compartment) LED Temperature Display <b>Up to 55 below ambient temperature</b> NW: 23kg</p> <p>AC/DC Adaptor Included Travel bag Included</p>	<p>1.Direct connect to DC12V or DC 24V power supply 2.One compartment. 3.Anti discharge battery protect. Automatic turn off when low voltage, 4.Environment-friendly refrigerant R134a. 5.Detachable lid 6.Inner wire basket for loading and allocation of food.</p>	6 497.00	
<p><b>BR70C4</b></p> <p><b>Capacity 70Litres</b> Voltage : DC12V/24V Power Consumption : 60W effective capacity: 66.5 litres (one compartment) LED Temperature Display <b>Up to 55 below ambient temperature</b> NW: 25kg</p> <p>AC/DC Adaptor Included Travel bag Included</p>	Same as BR60C4	6 955.00	<p><b>Casing material: stainless steel 304</b> Only model 55L and 70L are with stainless steel casing</p>
<p><b>BR80C4</b></p> <p><b>Capacity 80Litres</b> Voltage : DC12V/24V Power Consumption : 60W effective capacity: 76.5 litres(one compartment) LED Temperature Display <b>Up to 55 below ambient temperature</b> NW: 27kg</p> <p>AC/DC Adaptor Included Travel bag Included</p>	Same as BR60C4	R 7 475.00	
<p><b>Vat Included, delivery excluded. Price subjected to exchange rate, contact us for a updated price.</b></p>			R 7 475.00
